

## 9. School in motion

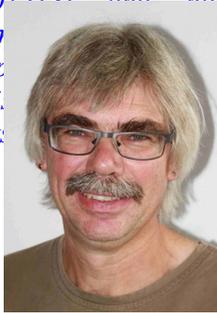

Amongst our awards is the „Movement-friendly school“ which means you will be especially supported in the field of sport. Every year the whole of Year 6 travels to the Sport School in Hachen and enjoys a diverse range of activities. Our annua

is also a tradition.

## 10. Individual support

For years individual support has been a sign of quality for us. Development and support plans are designed for each and every pupil. There is an extra room for support lessons (Förderstation) which is run by Raimund Stein (02324-9701513) and his colleagues. Here different programm on an individual basis. We are supported by reading mentors and various organi. a year is usually not an issue thanks along“ support programme.

## 11. All-day school

Our school day lasts till the afternoon. After the lunch break we offer either „normal“ lessons or workshops/clubs eg. aquarium, tennis, skating, show-jumping, theatre, triathlon and more. You will do doubt find the right one. The all-day school is organised by Olga Mrs. Jacome (02324-9701516).

## 12. Lesson times

We start our classes at 07:55. The first break is at 09:55. The second block of lessons goes from 10:25 until 12.25. During the one hour-long lunch break you have the opportunity to have your lunch in the canteen (Mensa) and to have a rest before the afternoon lessons begin. These lessons or clubs start at 13.25 and go until 15:30. We work with the training room concept and for years have been using the 60 minute cycle for our lessons.

## 13. Friends‘ Association

The Friends‘ Association supports our work at the school by acquiring equipment for the workshops and clubs, by supporting underprivileged pupils on class trips, by organising and financing school fêtes, theatre performances, school events (indoor beach sport, water skiing etc.) as well as many other activities. Our office has application forms to become a member.

There is no minimum subscription—you decide how much you wish to donate each year!

## 7. Careers Advice

In our school we start careers advice straight away  
in Year 5. In Year 8 we have a „Kontrastikum“ in  
which we learn about gender-specific occupations.

In year 9 pupils attend a 3-week-period of  
work experience and in year 10 they do  
either 2 weeks work experience or one day  
per week for the whole year. Also in Year 9  
all pupils take part in courses on career  
options. In addition to all that you will be  
supported in your career choice through  
our cooperation with partner companies  
and career-choice mentors of various
